

## MDT Patient impact statement

The purpose of this form is to give you the opportunity to let the multi-disciplinary team know what is important to you right now. This will be used to support decisions on the planning for your care. By completing the questions below you will ensure that -

- You are part of the planning process
- The plan will reflect what is important to you now
- The plan will be able to support on-going listening, learning and further action

By asking you to think about what you want now and in the future, the healthcare team, your family, friends and other services will start to understand what is important to you as a person and be able to work together with you on delivering your planned care.
