Mandatory Information – will be returned if not complete

Most patients will have investigations prior to having an appointment or during their first hospital visit. It is therefore important that patients are prepared for this and aware of the reason for their referral. Please ensure the mandatory information below is provided and all relevant investigations are completed and attached.

		Yes	No
1.	Has the patient been informed they are on a suspected cancer pathway, given appropriate support and advised they need to be available at any time within the next two weeks? If no, please explain why: <input type="text"/>	<input type="checkbox"/>	<input type="checkbox"/>
2.	Can the patient be contacted by telephone? If yes, have you ensured that the telephone contact details are correct?
