

Greater Manchester Cancer Pathway Board Work Programme 2023.2024

GM Cancer Pathway Board: Acute Oncology		Clinical Lead: Konstantinos Kamposioras			Pathway Manager: Jane Cronin		Greater Manchester Cancer Alliance	
Link to NHS Long Term Plan/Planning guidance	Deliverable SMART (describes what the PWB is going to deliver)	EQIA completed (n/a, yes or no)	Measure SMART (the output/evidence that the deliverable is completed)	Responsibility - Named lead i.e. a PWB member/designated lead	Completed by end of (month/year) In year, i.e. by 31/3/24	RAG Status once complete, add 'complete' to green RAG status & keep on the work prog.	Date last updated (monthly)	Comments add only if RAG status is amber/red (include mitigation/any plans in place)
Early Diagnosis and Prevention (including screening)							26/10/2023	
N/A								
Faster Diagnosis (including BPTP) and Operational Improvement								
N/A								
Treatments and Care (including Personalised Care, Genomics, Treatment Variation - GIRFT)								
	Consider improved pathways for patients presenting acutely from treatment or disease related acute episodes.		(1) Data from 01/22 to 02/23 from Christie Hotline to be collated in line with Christie BI Team to show whether there is a geographical variation in access to Acute Oncology Services. (2) Working alongside GM Genomic Cancer Hub, explore ways to improve the utilisation of cancer genome testing for CUP Patients with feedback through the CUP Sub-Group as a standing agenda item at AO Pathway Board. (3) Scope whether virtual clinics would assist with the management of acute oncology patients by auditing the requirement in each of the AO Services in GM, Mid/East Cheshire. (4) Utilising the experience of the Supportive Care team at The Christie, explore whether similar services could operate locally by providing information and education on The Christie clinic at the Acute Oncology Education Event.	Konstantinos Kamposioras Claire Mitchell Konstantinos Kamposioras / Jane Cronin Jane Cronin	31/03/2024 31/03/2024 31/03/2024 30/06/2023	 Complete Complete		
	Comprehensive access to cancer intelligence to understand inequalities & evaluate progress through Tableau		1) Identify KPIs for AO Data. Pilot to be undertaken in Bolton with GM Cancer BI Team and Bolton BI Team to extract KPI data automatically. 2) Acute Oncology Data Sub-Group to agree KPIs and roll out initially to other sites which utilise Somerset.	Claire DeMarcoMasetti / David Holderness Claire DeMarcoMasetti / David Holderness	31/03/2024 31/09/2024	Complete Complete		
Patient Engagement and Involvement, Experience of Care								
	Ensure that service users are included in all areas of AO Work programme and pathway board.		Ensure that there is a minimum of 2 x service user representative members of the AO pathway board supported by AO Small Community.	UI Manager	31/03/2024			08/23 - 1 carer rep on the pwb - working with Cancer Voices to identify patient/carer rep
	Ensure that service users are included in all areas of AO Work programme and pathway board.		Ensure that there is service user representation in all work streams and sub-groups of the board	UI Manager	31/03/2024			
Workforce & Education								
	Deliver an education & engagement event to promote excellent AO practice across GM & promote the work of the AO Pathway Board		Education & engagement event to be delivered and evaluation to be undertaken and presented to pathway board.	Jane Cronin / Gina Madera	31/07/2023	Complete		
	Develop resources for primary care on cancer emergencies and how to recognise acute side effects of treatment.		(1) Working with Primary Care Lead and Early Diagnosis Team, deliver a presentation at Cancer Forum to educate GPs to recognise acute side effects of anti-cancer treatment that may result in an emergency presentation and combine a patient impact video. (2) Presentation to be recorded and uploaded to Gateway C with a fast facts and infographic to be developed.	Konstantinos Kamposioras / Jane Cronin / Sarah Taylor / Lauren Kelly Lauren Kelly / Jane Cronin	31/03/2024 31/03/2024			
	Raise awareness of MSCC signs and symptoms in primary care & secondary care		Working with the GM Cancer Academy, assist with the identification of subject matter experts to develop the following modules:- (a)What is MSCC & Red Flags (b) Treatment options - a debate between surgeon & oncologist (c) Rehabilitation Interventions	Jane Cronin / Gina Madera	31/03/2024			
	Raise awareness of Acute Oncology to improve patient outcomes and experience		Regular communications through the Pathway Board news updates to include links to additional resources created that are cross-cutting, e.g., MSCC module	Konstantinos Kamposioras / Jane Cronin /	31/03/2024			

RAG status

On track, if complete add 'complete' to the green RAG status

Behind but have measures in place to get back on track

Won't complete within timeframe, of concern and requires review
