Mandatory Information – will be returned if not complete

Most patients will have investigations prior to having an appointment or during their first hospital visit. It is therefore important that patients are prepared for this and aware of the reason for their referral.

			Yes	No
1.	Has the patient been informed	they are on a suspected cancer pathway, given appropriate support		
	and advised they need to be av	ailable at any time within the next two weeks?		
	If no, please explain why:			
2.	Can the patient be contacted by	y telephone?		
	If yes, and the number is differe	ent from above, please enter here:		
	Landline Number:			
	OR Mobile Number:			
	-			
	If NO, why and what is the			
	preferred method of
